

ADVANCED DESIGNER BLOUSE MASTERCLASS

**LEARN 15 TRENDING DESIGNER
BLOUSES**

COURSE OVERVIEW:

This is a comprehensive Professional Designer Blouse Masterclass commencing from 7th October. This masterclass is meticulously designed to teach you 15 of the most trending, high-demand, and boutique-style designer blouses from scratch.

You will receive complete practical training covering in-depth pattern drafting, precision cutting, and professional boutique-style stitching, with a special focus on achieving flawless, perfect fitting for all body sizes (Small to Plus Size).

All sessions will be conducted LIVE with direct interaction for doubt-solving. Additionally, all enrolled students will receive Lifetime Access to all recorded videos, enabling you to learn and revise at your own pace, anytime.

What You Will Learn in Detail:

1. Detailed Pattern Drafting: Accurate paper pattern drafting for all 15 designer blouses with proper measurements and grading.
2. Professional Cutting Techniques: The correct method of cutting lining, main fabric, and designer fabrics to ensure perfect shape and zero wastage.
3. Complete Stitching & Finishing: Step-by-step stitching process from start to final boutique-style finishing, including designer embellishments, latkans, and border attachments.
4. Complete Material Knowledge: Detailed guidance on all required materials – suitable fabrics, lining, canvas, boning, zippers, laces, and other essentials for each design.
5. Mastering Size-Wise Fitting Problems & Solutions:* The most valuable part of this course. You will learn to identify and solve common fitting issues faced in different sizes such as bust dart errors, armhole tightness, neckline gaping, shoulder slipping, front bulges, and back fitting to achieve a perfect designer fit every time.
